To qualify as a Participant in Short-Term and Apprenticeship courses, you must submit and pass an audition. When a course is taken and completed, it will be registered with the SAA. Eligibility requirements are: high school graduation or equivalent and age 17, ECC, SAA active current membership and an accepted audition.

Audition Deadlines: Short-Term (Institutes/Workshops): postmark deadline is *no later than 8 weeks prior* to course start. If no audition is sent by (or no results known before course start, you may enroll in training as audition pending (provisional participant, see below).

Late submission fees are due after postmark deadline date. Processing time varies from 4-8 weeks in most cases. Results may not be available by course start for late submissions.

Audition Pending, Retries & Auditor (Short-Term Training Only)

If an audition is not sent before the start of your course or result of your audition is not available, you may enroll in training as audition pending (provisional participant status). The postmark deadline for audition pending is 8 weeks after course finish. If an audition pending is accepted, your status becomes Participant; if an audition pending is sent after the postmark deadline, or not accepted, your status becomes Auditor.

Depending on submission/results timing, audition pending may result in no retry options. Retries on unaccepted auditions are welcome, with a new application and fees (\$45 US/CAN), if postmarked by 8 weeks after course finish.

The SAA strongly encourages Participant status. Auditor status is appropriate if unable to meet course attendance or observation and playing requirements, but an Auditor may not have full participation in class, and will not be allowed to register the course with the SAA.
